# HANDS FREE FOR TEAM TALK

## COMMUNICATION AND SAFETY

**APPI-Com** is the world's most advanced wireless tactical field communication device: it is a **Fully Duplex system** allowing **Hands-Free** communication between team members in the most dangerous and critical situations faced by Industrial workers : Police, SWAT Teams, Surveillance Teams and First responders.

**APPI-Com** is so easy to operate: simply depress the power button and you're ready to communicate, hands free, on a secure, powerful and coded network.

The system is organized with 2 team leaders and multiple team members that are always connected **whatever the group size, anywhere, anytime.**

**APPI-Com** fits multiple Audio Headsets and eliminates ambient noise to focus on the mission.

HANDS-FREE FULL-DUPLEX RADIO

AUTONOMOUS DIGITAL NETWORK

NO BASE, UNLIMITED USERS

1.3 MI RANGE (2KM)

SHOCKPROOF

WATERTIGHT

## Police / SWAT Teams / Surveillance Wireless Hands-Free Communication

Range > 1.3 mi (2km)

## CONFIDENTIALITY

APPI-Com deploys a wireless «Audio Conference» network within seconds, autonomous and encoded, without any installation.

## SAFELINE

Allows you know who is communicating and be alerted when a team member leaves the loop.

## NETWORK EXTENSION

Connect APPI-Com to any radio or cellular device to extend the communication.

## MAN DOWN ALERT

**Safety pack:** immobility detection with voice alert to the team

**APPI-Smart:** relaying immobility alerts to the GSM network (SMS, Email with GPS location)

# MULTI-COM GATEWAY FOR MOUNTED AND DISMOUNTED OPERATIONS

APPI-Com XR allows to create a gateway between different communication devices. By becoming the central element, APPI-Com XR facilitates communication between teams.

HANDS-FREE
