SAFETY **COMMS** **FIRST!**™

APPI radios offer hands-free conference mode over 3.8 km without fixed or mobile base (Int'l patent).

With the SyncAll® technology, any APPI radio can leave the team (lost signal, etc.) without affecting communication between the others, and then automatically return to the team's COMM : a guarantee for Safety and Efficiency.

APPI-Com is a long range, wireless and ultralight intercom system : despite obstacles, it ensures a clear communication within the team in noisy environment.
